MORE MONEY IN YOUR POCKET

## New student loan refinancing benefits

NVA recognizes that many DVM and employees may have student debt. In order to help employees pay off debt as quickly as possible, NVA has partnered with several student debt refinancing groups and negotiated special monetary benefits from each partner. If you have student debt and are looking to refinance, see our partnership offers below and select the partner with the interest rate or benefits best for you.

Any NVA employee or family member is eligible to apply.
